Accordion Gallery Extension

This extension implements a horizontal image gallery. The gallery was designed to show a small number of images, where initially a small part of the images will be visible. Clicking on one of the images will expand the full image like an accordion (with animations).

Adding images
Click 'Add' to add a new image. Each image can have a title, description and link.

To add multiple images at once, hold down the SHIFT-key on your keyboard while pressing the Add-button.

Overlay Color
Specifies the color of the overlay.

Overlay Opacity
Specifies the opacity of the overlay. You can set this to zero if you do not want an overlay.

Overlay Width
Specifies the width of the text overlay when the image is full visible.

Background Position
Specifies the horizontal and vertical background position of the image.

Background Size
Specifies the size of the background.
- **cover**
  Scale the background image to be as large as possible so that the background area is completely covered by the background image. Some parts of the background image may not be in view within the background positioning area.
- **contain**
  Scale the image to the largest size such that both its width and its height can fit inside the content area.
- **100%**
  Scale the image to 100% of the content area.

Padding
Specifies the padding of the text area.

Text
